Independent Auditor's Report

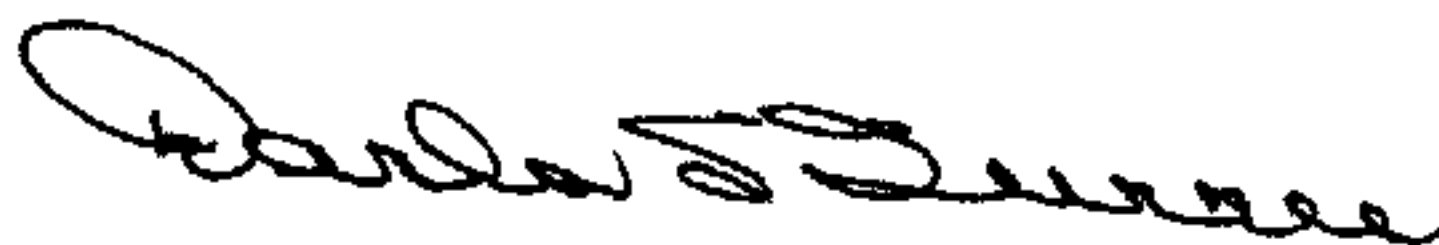

To Mr. John Hoychick, Jr., President
and Members of the Fifth Judicial District
Indigent Defender Board
Rayville, Louisiana

I have audited the accompanying general purpose financial statements of the Fifth Judicial District Indigent Defender Board, as of and for the year ended December 31, 2002, as listed in the table of contents. These general purpose financial statements are the responsibility of the Fifth Judicial District Indigent Defender Board's management. My responsibility is to express an opinion on these general purpose financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Fifth Judicial District Indigent Defender Board, as of December 31, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated June 30, 2003, on my consideration of the Fifth Judicial District Indigent Defender Board's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

INTRODUCTION

REPORTING ENTITY

The Fifth Judicial District Indigent Defender Board, established in compliance with Louisiana Revised Statutes 15:144-149, provides counsel to represent indigents (needy individuals) in criminal and quasi-criminal cases at the district court level. The judicial district encompasses the parishes of Franklin, Richland, and West Carroll, Louisiana. The Board is composed of members who are appointed by the district court. Revenues to finance the Board's operations are primarily provided from court costs on fines imposed by the district court.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying general purpose financial statements of the Fifth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. FUND ACCOUNTING

The accounts of the Board are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into one fund category and one fund type as follows:

GOVERNMENTAL FUNDS - General Fund - The General Fund is the operating fund of the Board. It is used to account for all financial resources.

GENERAL FIXED ASSETS AND LONG-TERM OBLIGATIONS - The Board had one fixed asset (computer) but no long-term obligations at December 31, 2002.

C. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

D. BUDGETS AND BUDGETARY ACCOUNTING

Local indigent defender boards are not political subdivisions within the meaning of the Louisiana Local Government Budget Act. Thus, no obligation exists to prepare a budget for the Board's funds.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

E. CASH AND CASH EQUIVALENTS

Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, the Board may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana. Cash deposits are reported at carrying amount which reasonably approximates fair value. Under state law, these deposits, or the resulting bank balances, must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank.

Under state law, the Board may invest in United States bonds, treasury notes or certificates. These are classified as investments if their original maturities exceed 90 days. However, if the original maturities are 90 days or less, they are classified as cash equivalents. Investments are stated at cost.

F. FIXED ASSETS

Fixed assets of governmental funds are recorded as expenditures at the time they are purchased or constructed, and the related assets are capitalized (reported) in the general fixed assets account group. All fixed assets are valued at cost.

G. TOTAL COLUMNS ON COMBINED STATEMENTS

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

NOTE 2: CASH, CASH EQUIVALENTS AND INVESTMENTS

The Board's deposits and investments are categorized to give an indication of the risk assumed by the Board at year-end. The categories are described as follows:

Category 1 - Deposits which are insured or collateralized with securities held by the Board or by its agent in the Board's name.

Category 2 - Deposits which are collateralized with securities held by the pledging financial institution's trust department or agent in the Board's name.

Category 3 - Deposits which are not collateralized or insured.

At December 31, 2001 the Board has cash and cash equivalents totaling \$22,251 as follows:

Non-Pooled Deposits:	Cost	Fair Value
Checking Account	\$ 18,524	\$ 18,524
7-Day Certificate of Deposit	3,727	3,727
	<u>\$ 22,251</u>	<u>\$ 22,251</u>

Hibernia also held \$55,683 in a six-month certificate of deposit and \$3,727 in a 7-day certificate of deposit. In addition to the \$100,000 FDIC coverage, Hibernia has pledged federal securities with a book value of \$63,392 to secure the Board's deposits. The Board invested \$57,000 in a certificate of deposit at Roslyn State Bank, Roslyn, New York, in December, 2002. The current market value of the account at December 31, 2002, was \$57,689. Also, there was \$1,018 in a Ready Cash account at Roslyn State Bank at December 31, 2002, for a total of \$58,018.

The certificates of deposit are six-month and one year maturities. The level of risk is a Category 1.

NOTE 3: GENERAL OPERATIONS

The General Fund receives court costs levied for criminal offenses and remitted to the Board by the respective Parish Sheriffs. This fund serves as the operating fund of the Board.

NOTE 4: RECEIVABLES

The Board's receivables consist of court costs due to the Board in 2002 and remitted in 2003. As of December 31, 2002, there was a balance of \$5,863 due to the Fifth Judicial District Indigent Defender Board.

NOTE 5: ACCOUNTS PAYABLE

The Board's accounts payable consist of monthly bills owed for the month of December and remitted in January 2003. Accounts payable had a balance of \$640 on December 31, 2002.

NOTE 6: USE OF ESTIMATES

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To Mr. John Hoychick, Jr., President
and Members of the Fifth Judicial District
Indigent Defender Board
Rayville, Louisiana

I have audited the general purpose financial statements of the Fifth Judicial District Indigent Defender Board as of and for the year ended December 31, 2002, and have issued my report thereon dated June 30, 2003. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

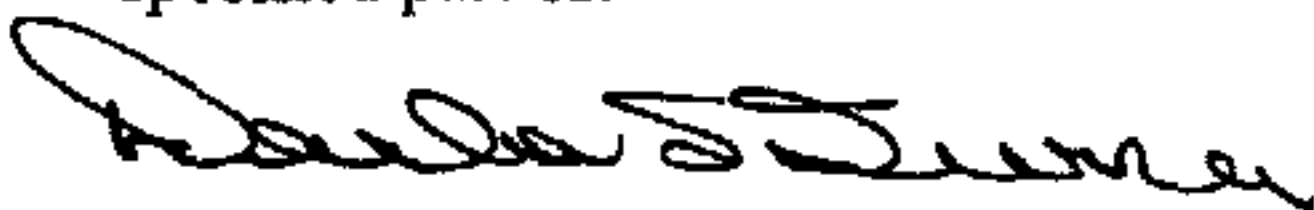

As part of obtaining reasonable assurance about whether the Fifth Judicial District Indigent Defender Board's general purpose financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying schedule of findings as item F-1.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Fifth Judicial District Indigent Defender Board's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions, and accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended solely for the information and use of the audit committee, management, others within the organization and the Fifth Judicial District Indigent Defender Board and is not intended to be and should not be used by anyone other than these specified parties.
